Dear FDA:

I am writing to inform you of my opinion on the irradiation of foods.

I think it is a very bad idea.

Of course, this is my gut feeling/educated opinion; while I realize that others may hold the opposite conviction to my own in this area, I am writing to weigh in on the "anti" side.

I hold this belief quite strongly and am prepared to vocalize and act ~~active~~ against any attempt to loosen any present restriction on the irradiation of food.

Very truly yours,

  
Kathy Raine
